

# Get Your Tickets!

The Los Angeles County Fair Association and Pomona Rotary are sponsoring their 3rd annual Classic Car raffle during the L.A. County Fair. The grand prize is a 1968 Corvette Convertible, silver with black interior, with additional prizes including an Alaskan cruise for two and \$1,000 gas card. Tickets are only \$20 each, with proceeds benefiting the Child Development Center at Fairplex, Millard Sheets Center for the Arts at Fairplex, the Fairplex Education Foundation and Pomona area non-profits. This year raffle organizers are looking for other non-profit community organizations to sell tickets (and share a portion of the proceeds - \$5 from every ticket sold!).

The drawing will be Sunday, Sept. 30, at approximately 6:30 p.m., at the raffle booth located on Palm in front of Fairplex 6. To purchase pre-sale raffle tickets or if your non-profit is interested in selling tickets, please contact Laura Smolka at 909-865-4206.

Wine & Cars guests Janet and Darren Krohn

A smashing success, a spectacular affair – those were some of the comments received from guests who attended Wine & Cars Under the Stars on June 16. The charity gala, presented by Ralphs, celebrated the award-winning wines and spirits from the prestigious Los Angeles International Wine & Spirits Competition amidst an impressive collection of one-of-a-kind automobiles and hot rods. The event netted \$40,000 for the Millard Sheets Center for the Arts at Fairplex. Plans are already underway for 2008.

## Foundations At Fairplex

## Foundations Wishing Well

The biggest impact of giving can often be found in the smallest package – a box of four glue sticks shared by a table of 10 elementary students working on an art project or one picture book that is read by one hundred preschoolers. With each donation received, the Foundations at Fairplex puts another check next to an item on its wish list. Here is a sample of what your donations provide:

### \$50 provides...

- a day's supply of materials for the 2007 Fair Exhibit workshop at the Millard Sheets Center for the Arts at Fairplex, including construction paper, glue, and paint

### \$100 provides...

- ten children's books to be used at the on-site Children & Families Library for the Family Literacy Project at the CDC

### \$250 provides...

- bus transportation for approximately 75 elementary school students to participate in the unique educational experience of a FairKids Discovery Club field trip

### \$500 provides...

- a month's supply of crayons, paint, paper, markers, glitter, glue, and pencils for the CDC's preschool students

### \$1,000 provides...

- a cash scholarship for a Junior Fair Board member to support their post high school education expenses

### \$5,000 provides...

- a cash scholarship to a high school or college student at the Junior Livestock Auction who wants to further his or her education in agriculture through creative projects and ideas
